Jane Henney, M.D.  
Commissioner, Food and Drug Administration  
5800 Fishers Lane, Room 1471  
Rockville, MD 20857

Dear Dr. Henney:

I wish to register my objections to the continued use of antibiotics and growth promoting substances in the food I eat and I hope you will do all possible to stop their use. The continued use of these to livestock production must surely induce immunities in their pathogens and in my body. It is time to stop this Frankenstein now before it becomes an incurable problem.

Sincerely yours,

Wm. H. Elder, Ph.D.
